Respected Sir/Madam,

D.P.B.S. (PG) College, Anupshahr is pleased to invite you to the National Seminar on "Recent Trends in Basic and Applied Science" to be held on 13th March 2022. About the Institution: Established in 1965 by the Anglo Vedic Educational Association Anupshahr, D.P.B.S. (P.G.) College is a semi-government institution recognized under Section 2(f) and 12 (B) of the U.G.C. Act and affiliated to C.C.S. University Meerut. It is a multi-faculty institution offering B.A., B.Sc., B.Com., B.C.A., B.Ed., M.A. (Sanskrit), M.Sc. (Physics), and M.Sc. (Chemistry) courses. The college has a beautiful campus with well-developed infrastructure and facilities. Under the dynamic leadership of Shri Jaiprakash Gaur, a renowned industrialist and President of the Anglo Vedic Educational Association, Anupshahr, the college is progressing by leaps and bounds.

About Anupshahr:

Popularly known as Chhoti Kashi, Anupshahr is an ancient town located on the bank of river Ganga in the Bulandshahr district of Uttar Pradesh. It is situated at a distance of 40 Kms. from Bulandshahr, 60 Kms. from Aligarh, 80 Kms from Moradabad, 115 Kms. from Meerut, and 120 Kms. from Delhi. The town has become a 'center of further attraction' in recent years with the opening of Jaypee University and the construction of the beautiful 'Har Har Mahadev Temple'. Some of the important places/sites surrounding Anupshahr are Karnawas (where a Karna of Mahabharata is said to have donated his Kawach and Kundal), Belon, and Awantika Temples, Narora Atomic Power Plant, etc.

Concept Note:

The objective of the one-day seminar to be held on 13th March 2022 is to provide a platform to the students, researchers, scientists, academicians, and industrial professionals for disseminating their innovative ideas and share their latest research and innovations. The scope of the seminar will extend to basic and applied sciences. Moreover, the seminar will also encourage participants from interdisciplinary areas. The participants would come to know about the latest developments, innovations, and new trends in the broad research areas of Physical Science, Chemical Science, Mathematical Science, Life Science, and many others. The conglomeration of researchers belonging to diverse fields will provide the link between academic researchers and industry professionals. The list of topics and subtopics intended to be covered are listed below.
