Something more about you						
I am a passionate educator with over 17 years of experience in teaching Commerce at undergraduate and postgraduate levels. My academic journey reflects a consistent commitment to excellence, with contributions in the form of authored books, research publications, and active participation in seminars and workshops. I believe in continuous learning and strive to inspire students not just academically but also morally and socially. With a firm grounding in traditional values and a progressive outlook, I aim to contribute meaningfully to the academic community and society at large.
